Re: Tosco Corporation Amended Notice of Intent
to Commence Mining Operations

Dear Mr. Daniels:

In keeping with our conversation last week I am enclosing a copy of MR Form 8 which has been executed by Glenn Vawter as Vice President of Tosco Corporation. It is my understanding that this will complete the file and that you will present the application to the Board for approval at its next meeting towards the end of this month.

If you need anything further, please let me know. At the time the Board publishes public notice of the Tosco application, I would appreciate receiving a copy of that notice.

Best regards.

Very truly yours,

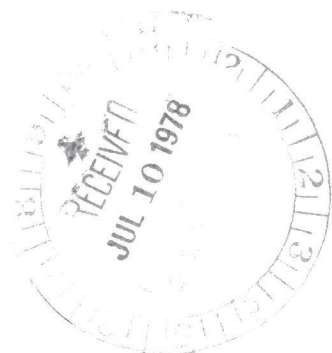

H. Michael Spence
